BOOK SYNOPSIS

REAs CLEP test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. /The CLEP College Composition & CLEP College Composition Modular exams assess the writing skills taught in most first-year college composition courses. Our test prep features targeted review chapters that focus on the writing skills tested on the exams, including: analysis, argumentation, usage, logical development, and research. Students start their study by taking our diagnostic practice test online. This timed test includes automatic scoring and diagnostic feedback, so students can pinpoint their strengths and weaknesses.
