BOOK SYNOPSIS

Every day we make choices. And those choices accumulate and eventually become our life story. What would your life look like if you became an expert at making those choices? In this inspiring guidebook, New York Times bestselling author Craig Groeschel shows how the choices that are in your power, if aligned with biblical principles, will lead to a life you've never imagined. Divine Direction will help you seek wisdom through seven principles. You'll consider one thing to stop that's hindering you; how to start a new habit to re-direct your path; where you should stay committed; and when you should go even if it's easier to stay. The book also includes criteria that will help you feel confident in the right choice, and encourages you with principles for trusting God with your decisions. What story do you want to tell about yourself? God is dedicated to the wonderful plan he's laid out for you. The achievable and powerful steps in Divine Direction take you there one step at a time, big, or small.
