BOOK SYNOPSIS

Seven years. Seven damn years of wondering whether the woman was still alive...whether shed spent the last two thousand five hundred fifty five days wondering if he was still alive. Wondering whether that night was as burned into her memory as it was his. Seven years having his heart tethered to Addison—and now shes back. With even more reasons to run than shed had then. Only this time, Caine isnt letting the gorgeous little flight risk out of his sight. Regardless of how noble her reasons may be. **EVERY NIGHT WITHOUT YOU** (Bk 2 of 2) takes place seven years after **BEFORE THAT NIGHT** (Bk 1 of 2), and is the conclusion of Caine & Addisons story of love, sacrifice, and the lengths one will run—and chase—when their past threatens their future. Note: The Unfinished Love series follows four brothers, each fighting for their second first chance at love. Each of the couples have two books (duets) that take place years apart.
