BOOK SYNOPSIS

From one of the greatest rock guitarists of our era comes a memoir that redefines sex, drugs, and rock n roll He was born in England but reared in L.A., surrounded by the leading artists of the day amidst the vibrant hotbed of music and culture that was the early seventies. Slash spent his adolescence on the streets of Hollywood, discovering drugs, drinking, rock music, and girls, all while achieving notable status as a BMX rider. But everything changed in his world the day he first held the beat-up one-string guitar his grandmother had discarded in a closet. The instrument became his voice and it triggered a lifelong passion that made everything else irrelevant. As soon as he could string chords and a solo together, Slash wanted to be in a band and sought out friends with similar interests. His closest friend, Steven Adler, proved to be a conspirator for the long haul. As hairmetal bands exploded onto the L.A. scene and topped the charts, Slash sought his niche and a band that suited his raw and gritty sensibility. He found salvation in the form of four young men of equal mind: Axl Rose, Izzy Stradlin, Steven Adler, and Duff McKagan. Together they became Guns N Roses, one of the greatest rock n roll bands of all time. Dirty, volatile, and as authentic as the streets that weaned them, they fought their way to the top with groundbreaking albums such as the iconic Appetite for Destruction and Use Your Illusion I and II. Here, for the first time ever, Slash tells the tale that has yet to be told from the inside: how the band came together, how they wrote the music that defined an era, how they survived insane, never-ending tours, how they survived themselves, and, ultimately, how it all fell apart. This is a window onto the world of the notoriously private guitarist and a seat on the roller-coaster ride that was one of history's greatest rock n roll machines, always on the edge of self-destruction, even at the pinnacle of its success. This is a candid recollection and reflection of Slashes friendships past and present, from easygoing Izzy to ever-steady Duff to wild-child Steven and complicated Axl. It is also an intensely personal account of struggle and triumph: as Guns N Roses journeyed to the top, Slash battled his demons, escaping the overwhelming reality with women, heroin, coke, crack, vodka, and whatever else came along. He survived it all: lawsuits, rehab, riots, notoriety, debauchery, and destruction, and ultimately found his creative evolution. From Slashes Snakepit to his current band, the massively successful Velvet Revolver, Slash found an even keel by sticking to his guns. Slash is everything the man, the myth, the legend, inspires: its funny, honest, inspiring, jaw-dropping . . . and, in a word, excessive.

SLASH - Are you looking for Ebook Slash? You will be glad to know that right now Slash is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Slash may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Slash and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Slash. To get started finding Slash, you are right to find our website which has a comprehensive collection of manuals listed.
